

## CONTENTS

### Biomass Burning and Its Impacts on Earth's Environment

1	Preface .....	Haruo TSURUTA and Kenji FUKUYAMA
5	Recent Vegetation Fire Incidence in Russia .....	Hiroshi HAYASAKA
15	Burning Biomass in Mongolia .....	Magsar ERDENETUYA
21	Roles and Impacts of Biomass Burning in Slash-and-Burn Land Use in Tropical Mountains: A Case Study in Laos .....	Yoshio INOUE
31	Seasonal Variability of Biomass Open Burning Activities in the Greater Mekong Sub-Region .....	Sébastien BONNET and Savitri GARIVAIT
39	The Impact of Surface Fires on Peatland in the Land Preparation Area belong to the Community .....	Bambang Hero SAHARJO
45	Carbon Dioxide Emissions from Forest Biomass Burning in India .....	K. V. S. BADARINATH and Krishna PRASAD VADREU
53	Emissions from Fire in Sub-Saharan Africa: the Magnitude of Sources, Their Variability and Uncertainty .....	Robert J SCHOLES, Sally ARCHIBALD and Graham von MALTITZ
65	Vegetation Fires in the Asian Region: Satellite Observational Needs and Priorities .....	Krishna PRASAD VADREU and Christopher O. JUSTICE
77	Simulation of Distributions and Radiative Impacts of Biomass-burning Aerosols .....	Toshihiko TAKEMURA
