

~~~~~*Call for Papers*~~~~~

*Global Environmental Research* publishes original research papers, notes and comments and review papers. Invited articles may be accepted at the request of the editorial board.

*Global Environmental Research* invites contributions from scientists and policy makers involved in studies on global environmental issues.

#### Submission of Manuscripts

To submit a manuscript, send one copy of the manuscript with a cover letter to the Editorial Secretariat (3-1-13 Shibakoen, Minato-ku, Tokyo 105-0011, Japan). Please include your address, phone and fax numbers and e-mail address in your cover letter. Forwarding addresses should be provided for authors who have moved from the address shown on the manuscript. For further information on preparation of manuscripts, see "Guidelines for Manuscripts." Since *Global Environmental Research* is printed in color with no additional charge, authors are encouraged to submit color pictures, figures, and tables, if any. *Global Environmental Research* does not consider

contributions previously published, accepted for publication or currently under consideration or check elsewhere. Manuscripts accepted for publication become the copyright of the Association of International Research Initiatives for Environmental Studies (AIRIES).

#### Review Process

Authors will be notified of receipt of their manuscript. The Editorial Committee will be responsible for review and acceptance or rejection of the manuscript. A decision on the submitted manuscript may generally be expected within 4-6 months of submission. If a manuscript is returned for revision, the author should submit a revised manuscript within one month. The Editorial Secretariat will contact the authors if any questions arise during the preparation of their manuscript for typesetting.

#### Reprints

Authors will receive 50 free reprints of their article after publication. Additional reprints can be obtained by paying over expenses.
